

COMPLETE IN-HOUSE
MANUFACTURER OF

INDUSTRIAL MONITORING SOLUTIONS

- ✓ Transformer Health Monitoring Sensors
- ✓ Precision Current Transformers
- ✓ Distribution Enclosures
- ✓ Industrial Batteries
- ✓ Signal Conditioners

DISTRIBUTION ENCLOSURES

High quality enclosures designed for protection of electrical and electronic equipment in industrial environments.

-  Robust & Durable Construction
-  Excellent Weather Resistance
-  Corrosion Resistant
-  Wide Range of Sizes
-  Customizable Options

RANGE INCLUDES

Junction Boxes

Control Panel Enclosures

Instrument Enclosures

Wall Mount Enclosures

ABS / Polycarbonate Enclosures

Customized Enclosures

Weatherproof Enclosures

Terminal Enclosures

INDUSTRIAL BATTERIES

High performance industrial batteries for reliable power backup and long operational life.

- ✓ Long Life & High Reliability
- ✓ Maintenance Free
- ✓ High Energy Density
- ✓ Safety Assured
- ✓ Wide Range of Applications

CURRENT TRANSFORMERS

PTFE CABLE

PRESSURE RELIEF DEVICE

BUCHHOLZ RELAY

SENSORS & MONITORING SOLUTIONS

Advanced range of sensors for accurate monitoring of transformer and industrial parameters.

TEMPERATURE SENSORS

MOISTURE SENSORS

FIBRE OPTIC TEMPERATURE SENSOR

OIL LEVEL INDICATOR (WTI)

VIBRATION SENSOR

WINDING TEMPERATURE INDICATOR (WTI)

SF6 DENSITY MONITOR

DGA MONITORING SENSOR

PARTIAL DISCHARGE (PD) SENSOR

MONITORING & SIGNAL CONDITIONING SOLUTIONS

High precision monitoring and signal conditioning devices for industrial applications.

SIGNAL CONDITIONERS

PD / UHF SENSORS

COIL & TAP POSITION SENSORS

GAS FLOW METER

SCIENTIFIC CONTROLS

MICRO SWITCHES

SF6 DENSITY MONITOR

TEMPERATURE SENSOR

TANK MOUNTED TEMPERATURE SENSORS

SMART SENSORS. SMARTER TRANSFORMERS.

Thank you for considering Powercore Components Enterprises as your trusted partner for industrial monitoring solutions.
